

PROGRESS REPORT

January 1, 2003 to March 31, 2003

PROJECT TITLE: Update of Recommended Management Practices Guide for Removing Hazardous Materials from Demolition Projects

PRINCIPAL INVESTIGATOR: Timothy G. Townsend

AFFILIATION: University of Florida

COMPLETION DATE: May 31, 2003 **PHONE NUMBER:** (352) 392-0846

Progress to Date:

The technical review team was formed. Each member was sent a copy of the previous guide. A conference call was held with the technical review team to discuss changes to the document. These changes have since been incorporated. The guide is currently under review internally.

Future Work

The updated guide will be submitted to the review team. Based on their feedback, final changes will be made and the document will be completed.
